

MAKES VOLTAGE DETECTION EASY

AC 3115, AC 3215

- Locates hazardous voltages and defective grounds
- Senses voltage without metallic contact
- Sensor glows red in the presence of AC voltage

AC 3000

- In addition to the visual alert there is an audio alert!
- No on/off switch

DC 3315

- Used to troubleshoot DC circuits

AC Sensor 50-1000 Volts

AC 3115

Low AC Locator 24-90 Volts

AC 3215

DC Detector 6-50 Volts

DC 3315

Ultimate AC Sensor 50-1000 Volts

AC 3000
